PACKAGE DONATIONS

1. SLIDING SCALE FOR FLAG AUDITING

The Sliding Scale for Processing applies to lower Grade Chart auditing, OT Preparations and Eligibility, Expanded Dianetics, NOTs auditing and L Rundown auditing.

The Flag Service Organization sliding scale is:
12½ hours No sliding scale discount (20% IAS membership discount only)
25 hours 22½% discount off full donation rate
37½ hours 25% discount off full donation rate
50 hours 30% discount off full donation rate
75 hours 35% discount off full donation rate
100 hours 40% discount off full donation rate
150 hours 45% discount off full donation rate

To take advantage of these sliding scale rates, all hours must be donated for in full prior to beginning any of the auditing.

NOTE: The sliding scale rates apply only within a category or type of auditing and may not be used to mix types of auditing to get a higher sliding scale of discount. Specifically, a parishioner donating for 75 hours of L Rundown auditing (at 35% discount on the sliding scale) may not "add" 25 hours of NED for OTs auditing in order to get the 100 hour sliding scale rate (40% discount). The same applies to each of the different categories of auditing delivered by the FSO, which are: Lower Grade Chart and Special Rundowns, New OT IV and NED for OTs Band, L Rundown auditing, Expanded Dianetics and Class XII Preferential auditing.
